

# Invitation to Apply for a Fiscal Year 2011 Passaic County Community Development Block Grant as funded by the US Department of Housing and Urban Development

January 12, 2011

You are invited to submit an application to the County of Passaic for Community Development Block Grant (CDBG) funding for F.Y. 2011. The application is due by **March 18, 2011, 4:00 PM** to the Passaic County Department of Economic Development to be eligible for funding consideration. There can be no exceptions to this deadline.

The County anticipates receiving approximately **\$975,000** from the Fiscal Year 2011 US Department of Housing and Urban Development (HUD) CDBG Program. Of the total grant award, approximately **\$780,000** will be allocated to projects in the twelve (12) participating communities of the County (Bloomingdale, Haledon, Hawthorne, Little Falls, North Haledon, Pompton Lakes, Prospect Park, Ringwood, Totowa, Wanaque, West Milford and Woodland Park) and to eligible non-profit agencies. The remaining allocation will be utilized for administration expenses. No more than 15% of the grant may be used for public service activities. In making decisions for funding this year, Passaic County will consider factors such as the eligibility and national objective to assist low- and moderate-income individuals for each project, whether the project provides substantial community benefits and the readiness for implementation of the project. Matching funds are not required but the grant recipient must be willing to pay for design/engineering fees, if applicable.

Enclosed is an application and general list of eligible activities. If you have any questions about eligibility for your activity, please call Deborah Hoffman at 973-569-4720. Please note, the application requires an approval by the municipal governing body and must be signed by an authorized representative of the governing body.

**A public hearing and workshop to discuss the grant and the F.Y. 2011 Community Development Block Grant application will be held on February 10, 2011, 1:00 PM – 2:30 PM, 930 Riverview Drive, Totowa, NJ, 07512, Suite 250.**

**A Fair Housing and Zoning Workshop will be held immediately following the public hearing/application workshop. All municipalities intending to submit an application for FY 2011 funds must be represented. Zoning and Planning officials are welcome.** This one-hour workshop will discuss zoning compliance under the federal Fair Housing law. As a recipient of US HUD funds, Passaic County certifies that it affirmatively furthers fair housing and that participating jurisdictions do not discriminate against persons based on race, color, creed, national origin, sex, familial composition or disability.

County of Passaic ❖ Department of Economic Development ❖ 930 Riverview Drive, Totowa, New Jersey 07512, Suite 250 ❖ Telephone: 973-569-4720 ❖ Facsimile: 973-569-4725 ❖ e-mail: [ecodev@passaiccountynj.org](mailto:ecodev@passaiccountynj.org) ❖ [www.passaiccountynj.org](http://www.passaiccountynj.org)

**Passaic County takes fair housing responsibilities very seriously. In light of the recent court settlement in Westchester County, New York, we must consider the impact of community actions on fair housing in the allocation of funds. Therefore, municipal applicants must complete the attached fair housing survey, and include it in their Passaic County CDBG application. Please highlight any changes since the submission of the 2010 response.**

Projects must serve lower income residents. **A map depicting the low-moderate income areas in all 12 participating municipalities is provided.** However, projects serving an area smaller than a Block Group may be qualified by means of an income survey for those families who will benefit from each project. **For surveys, fifty-one percent (51%) of the persons living in the service area must be considered low/moderate income.** Surveys must be undertaken by responsible individuals from the community. Please contact us prior to undertaking a survey, as US HUD must approve the process. Handicap barrier removal projects do not require surveys.

If more than one project is proposed, a separate form must be utilized for each project. If more than one application is submitted, projects must be **numbered by priority** by the municipality at the time of submission.

Please note that Federal wage rates (Davis-Bacon Act) apply to all construction or renovation projects under this program and that **the municipality is responsible for all engineering costs.**

Renovation or construction of buildings used for the general conduct of government, (borough halls or township buildings or garages) except for handicap accessibility in compliance with ADA requirements, is **NOT** an eligible activity.

**The application must include a complete project description, with a cost estimate prepared by an individual knowledgeable in the preparation of such estimates, using Federal construction requirements, including, but not limited to, Federal wage rates.**

Thank you for considering the submission of an application to the Passaic County Community Development Block Grant Program. We are looking forward to working with you to ensure a successful fourth year of grant applications.

Please do not hesitate to contact our office with any questions concerning the enclosed grant application.

Sincerely,

Deborah Hoffman

## EXHIBIT “B” - National Objective Qualifiers

**In order to be considered as benefiting a low or moderate-income person, an activity must fall into one of the categories below.**

**Area Benefit:** Passaic County is an “exception level” community. Census areas with 31% low-moderate income or above qualify for funding. However, smaller areas may qualify based on an income survey. When surveys are needed, at least 51% of the residents within the targeted activity area must be low-moderate income persons. The activity may also be available to all persons in the area regardless of income.

**Limited Clientele:** To qualify under this subcategory, a limited clientele activity must fulfill one of the following tests.

- Clientele must be one of the following groups:
  - Abused children
  - Elderly persons
  - Battered spouses
  - Homeless persons
  - Adults meeting the US Census Bureau’s definition of severely disabled persons
  - Illiterate living with AIDS
  - Migrant farm workers, or
- At least 51% of the clientele must be low-moderate income persons; or
- The activity must be of such a nature and in such a location that it may reasonably be concluded that the clientele will be low-moderate income persons; or
- The activity must serve to remove material or architectural barriers to the mobility or accessibility of elderly persons or of severely disabled adults; or
- The activity must take the form of micro enterprise assistance carried out in accordance with 24 CFR 570.201 (o); or
- The activity must provide job training and placement and/or other employment support services, including, but limited to peer support programs, counseling, childcare and other similar services, in which the percentage of L/M income persons assisted is less than 51%. This situation qualifies under the limited clientele objective only in the following circumstance:

“In such cases where such training or provision of supportive services assist business(es), and the only use of CDBG assistance received by the business is to provide the job training and/or supportive services; and the proportion of the total cost of the services borne by CDBG funds is no greater than the proportion of the number of persons benefiting from the services who are low-or moderate income”.

**Housing** – The activity must result in housing that will be occupied by L/M income persons upon completion. The housing can be either owner- or renter occupied and can be either one family or multi-unit structures. Rental housing must be occupied at affordable rents.

**Jobs** – “Special economic development” activities may meet the low-moderate Income Benefit national objective only in the following three ways:

- Be located in a predominately low-moderate neighborhood and serve the low-moderate income residents (e.g., a grocery store serving a low-moderate income neighborhood qualifies as area benefit); or
- Involve the employment of persons, the majority of who are low-moderate income persons (e.g., a retail clothing store which creates or maintains jobs principally for low-moderate income persons).

3. You must agree to administer the CDBG program in accordance with OMB Circular A22, “Cost Principles for Non-Profit Organizations,” and Attachment F of OMB Circular A-110.
4. In accordance with the Office of Management and Budget Circular A-133, the federal government requires that organizations expending \$500,000 or more in federal financial assistance in a fiscal year must secure an audit. Agencies requesting \$500,000 or more must choose one of the three ways of meeting this requirement and state which method they choose:
  - a. If your agency already conducts audits of all its funding sources including CDBG, the agency must submit a copy of its most recent audit, and may, at its discretion, include the CDBG portion of the audit cost in its CDBG project budget.
  - b. If your agency already conducts audits of its other funding sources but has neither received nor included CDBG in the past, the scope of the audit would be modified to incorporate CDBG audit requirements. The associated cost of the augmentation could then be included in the CDBG project budget, accompanied by the auditor's written cost estimate.
  - c. If your agency does not have a current audit process in place, your agency will be required to include a 10 percent set-aside in the CDBG project for the provision of an audit.
5. You will be required to provide semi-annual reports stating the total number of persons served, including their ethnic origin, and whether they are female heads of household. These figures are required to be reported by US HUD.
6. You will be required to obtain written proof of income of each person or household which you assist, unless your clients are abused children, battered spouses, elderly persons, handicapped persons, homeless persons, illiterate persons, or migrant farm workers.
7. You must have a written policy designed to ensure your facilities are free from the illegal use, possession, or distribution of drugs or alcohol.
8. If any income is derived from the activities funded by CDBG, that **income must be returned to Passaic County as program income**.
9. In the event that US HUD should determine that CDBG funds were improperly spent, and that money should be reimbursed to the U.S. Treasury, your organization will be responsible for this reimbursement.
